EXPERIENCE

Junior Integration Manager - Team Customer Experience
MeineStadt GmbH

📅 October 2022 – current   ⚲ Cologne, Germany

– Developed, refactored, and maintained multiple Python batch jobs.

– Led the migration of 12+ batch jobs and 3+ services to AWS, overseeing the entire process. Implemented Infrastructure as Code (IaC) with AWS CDK (TypeScript) and developed EKS deployment pipelines using GitLab.

– Developed integrations between Salesforce, NetSuite, and internal services.

– Designed and deployed over three serverless projects utilizing SQS, SNS, Lambda, API Gateway, DynamoDB, EventBridge, and CloudWatch.

– Took charge of architecting and provisioning infrastructure for AI proof-of-concept projects upon the formation of an AI team (2024).

Junior Python Developer
Chemical Safety Software Inc.

📅 September 2021 – April 2022   ⚲ Athens, Greece

– Coding in Python and usage of MS SQL Server.

– Built a data warehouse for Salesforce, Quickbooks and Woocommerce.

– Built processes and REST APIs that integrate with the above platforms.

– Migrated stored procedures to Python batch jobs.

Internship
Benefit Software

📅 July 2020 – September 2020   ⚲ Athens, Greece

– Training on SQL OLAP Cubes.

– Training on using the TARGIT's software for business intelligence.

– Small introduction to Angular.

PROJECTS

Shopify (Freelancing)
e-mytoolstore.gr

📅 January 2021 – April 2022   ⚲ Athens, Greece

• Built an automated process that consumes vendor's REST APIs, parses XML and JSON files and syncs product availability, price and info. All using the Shopify's python SDK.

• Created a feed generation process that is compliant with Greek shopping platforms (Skroutz Inc.). Implemented by making use of a MySql instance.

CERTIFICATES

Certified Cloud Practitioner
Amazon Web Services (AWS)

📅 Jul 2023 – Jul 2026

Credentials ID: RJQDP212X2BE1Y3L

Certified Solutions Architect - Associate
Amazon Web Services (AWS)

📅 Preparing - Till end of year

SOFTSKILLS

Teamwork · Learning Potential · Responsibility · Flexibility · Mutlicultural · Honest · Ambitious · Questioning · Empathetic · Reliable
